March-April 2016

We are so excited! God is doing great things! We never cease to be amazed at how the Lord uses the materials we are given the privilege to distribute and to where the Lord is taking them. Recently we were able to distribute some Sunday School and VBS materials to a missionary friend that will be taking them to Panama, Central America and to Aruba (off the coast of South America where there is quite a large Hispanic population). **Pray** that the Lord be glorified as the lessons are taught and that many lives be changed for eternity.

We have several hundred active students, from many countries of Latin America, studying the discipleship correspondence courses. Please **pray** that they will be faithful students (Acts 17:11) to apply each lesson in their own lives and teach others (II Tim. 2:2). Many times, a student will send in the names of friends that want to study. Weekly we receive requests from three or four new people that have a hunger for God's Truth and want to study the courses. Many, who are without Christ, will respond to this opportunity to study God's Word by correspondence, but will not go to a church to find help. We always try to encourage each student to find a Bible-believing church in their area, but the big problem is that many times there are not any Bible-believing churches in their area. Please **pray** the Lord gives us wisdom in this. Recently we received the following letters:

Gerardo Sierra Bernadez from Toluca, Mexico, (southwest of Mexico City) writes *"I give thanks to God for this great blessings to study the Word of God with you in order to serve Him."*

Carmino Garcia from Texas wrote: *"I found a Gospel tract that told about the Spanish Bible correspondence courses that you offer. I had been wanting to study God's Word for some time and so am very thankful that now I have the opportunity to do so."*

The ministry at the Federal Detention Center continues to open many doors for evangelism and Bible teaching. Many times inmates will request Bible lessons for family members and/or other inmates. Please **pray** as we go each month, that the inmates will receive the message of God's Word so that God can change their lives.

The Lord blessed in a recent pastor's/marriage retreat in which we were able to help teach classes. Please **pray** for Jorge and Jose and their wives as they apply what they were taught.

We will soon be busy with the distribution of VBS materials for 80,000 children. **Pray** that the Lord will work in the lives of those attending the classes. The student and teacher's books are given free of

charge to churches in Mexico and other Latin America countries. They will be used in about five hundred different locations. Most of the churches could not afford to buy the material and definitely would not be able to purchase them from the publisher in CA.

This month we received over 85,000 Spanish booklets of Romans and 8,000 copies of Spanish John and Romans to be distributed. We thank the Lord for those that come to get these booklets and take them back to their local churches and to surrounding areas to get them into the hands of those needing to hear of God's love and redemptive plan for their lives. The Lord does use His Word to do His work in individual lives. Please **pray** that the local churches will be strengthened and involved in planting new churches as they use these materials.

Thank you so very much for your faithfulness in praying and supporting this ministry. We count each one of you as co-laborers in what God has called us to do. May God continue to bless and use each of you for His glory in 2016.

Serving together with you for His grace and glory,

Duane and Marilyn
