March, 2019

“Let the word of Christ dwell in you richly in all wisdom: teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.”
Colossians 3:16

This has been an exciting month. The Lord had made it possible for us to order extra Spanish materials for distribution: for both evangelism and for discipleship. Also, a friend from IN called to tell us he and his wife are having some Spanish booklets of pure Scripture shipped to us for distribution. This is so exciting!! We have used these booklets through the years and they have been such a blessing to so many. It is the Word of God that does the work of God in hearts and lives. **Pray** that as each tract, each booklet, each Scripture portion and each Bible lesson goes out that the Holy Spirit will use His Word to touch lives for eternity.

As health problems loom, we are so very thankful for the two brethren that have volunteered their services to help in the ministry at the Federal Detention Center. Their credentials have been accepted and now later this month they will be taking the training that is required to minister at this Federal facility. **Pray** that the Lord will really use these men as they join the team to minister monthly to the undocumented inmates.

It was so exciting and encouraging when we recently received a short e-mail from a young man that travels and preaches all over the country of Mexico. We have known Carlos and his wife for many years. Carlos wrote:

“I think of you and your dear wife often. Thank you for all that you have done for us over the years. As I travel in the country of Mexico, I see your materials wherever I go. May your reward in heaven someday be great!”

It is always a joy to receive letters from the correspondence students. Israel Durante Marroquin from Honduras, Central America wrote:

“I feel so blessed to be able to study these Bible lessons. I have learned something new in each lesson. They have been such a help in my spiritual life and a real encouragement to me. I really want to get deeper into the study of the Word of God.”

We want to thank each and everyone for their prayers for us as we have struggled with the effects of the stroke that Duane had in August. Duane’s left leg continues to be plagued with weakness and at times this is very discouraging. The Lord blessed through providing a walker for him. This has been a real encouragement and has given Duane more confidence in walking (particularly long distances), since balance has been another issue that he has dealt with. Please continue to **pray** for strengthening in both his legs. We are so thankful that he continues to ‘do the work of the ministry.’ He keeps very busy and thus far has not let the effects of the stroke hinder him to a great extent.

Thank you so very much for your faithfulness in praying and supporting this ministry. We count each one of you as co-laborers in what God has called us to do. May God continue to bless and use each of you for His glory in 2019.

Serving together with you for His grace and glory,

Duane and Marilyn
