'...For thou has magnified thy Word above all thy name.'
Psalm 138:2b

Each month the Lord is doing such great things for us. We keep extremely busy as literature is constantly coming in and going out. We marvel at the amount of material that is taken from our 'always open' shed. When we get a load of literature we think we are set in the way of inventory for a while but after a few day's time, we realize that a majority of the literature has been taken to be distributed all around the country of Mexico. We have pastors and Christian laborers that take literature to the southern states of Mexico. Another brother sends semi trailer loads of literature to pastors in southern Mexico where it is distributed to pastors coming even from Central America. It is exciting to hear how the Lord is getting His Word into the hands of those that can truly use it for the glory of God.

In March, we were blessed with ten high school students and two sponsors from a Christian high school in the state of Maryland. What great workers they were! They helped us catch up on 'back burner' projects that have been awaiting attention. They did a lot of physical work besides helping to prepare literature for distribution. They were also able to help in several other ministries that needed 'willing hands and hearts' for our Lord. The highlight of the week was the Spring VBS they held every afternoon in a small, local Spanish church. We want to thank each one for all their hard work and for being such a blessing to so many. God bless each of you.

The first week of May we were involved in another marriage retreat. We usually have four couples attending. This time we only had three, but it was very exciting and challenging. God blessed and we continue to pray that God will use the teaching of His Word to challenge and bless each couple that attended. Please **pray** for each couple as they continue to labor in their respective churches. .

Please be praying as the VBS materials for this summer goes out to approximately 500 different locations: churches and missions. When the different pastors come, it is such a joy to have these individuals in our home. We count it a privilege to be able to pray with them and challenge them in God's Word.

Recently we received 70,000 booklets of Spanish Scriptures for evangelism and discipleship. Also, twice we have received shipments of Spanish book-

lets of John and Romans. We are excited about a shipment of Spanish tracts that have come in and are now available for distribution. Then when we received the shipment of VBS materials for this summer, we also received several boxes of Spanish New Testaments for use at the Federal Detention Center. God is so good!!!

Please be praying for the dedication of the Bible correspondence students. We recently received a letter from a lady in Cuba to whom we had previously sent a Bible. She is so excited about the lessons.

Please continue to **pray** for strength for Duane's legs. He has good days and bad days, but keeps a full schedule in spite of the situation. The work of the Lord continues, so must we.

Thank you, so very much, for your faithfulness in praying and supporting this ministry. We count each one of you as co-laborers in what God has called us to do. May God continue to bless and use each of you for His glory in 2019.

Serving together with you for His grace and glory,

Duane and Marilyn
